

Students Who Have Received the New Finger Lakes Community College OneCard Please Click Here

The Finger Lakes OneCard is only used as a means for students to receive their Financial Aid Refunds in the Fall and Spring semesters. Unless you activate the card and transfer your own funds to this card it will not work for purchases or Financial Aid Book Charges at the FLCC Campus Book Store.

Students still must use their FLCC SmartSaver ID to activate and use a Financial Aid Book Charge. New students can pick-up their ID's beginning Monday, August 31, 2009 at the Campus Book Store. Returning students should still have their ID's from last year.
